

Hi Dancers,

You might remember Jive or the Jitterbug. It was not until they were meshed together to create the East Coast Swing that a fast swing could be easily mastered by young and not-so-young dancers. Let World Champions Robert Royston and Laureen Baldovi take you "step by step" through

mastering the East Coast Swing. They use some of the same techniques they used in the Broadway Show "Swing". They'll demonstrate beginner and intermediate moves.

You'll look and feel great on the dance floor!
