The benefits of Line Dancing:

- **Reduces stress while lowering blood pressure and cholesterol levels**
- **Increases energy**
- **Improves strength and muscle tone**
- **It's friendly and social**
- **You don't need a partner to line dance**
- **Age is not a factor**
- **No special clothes are needed**
- **You can do it, your kids can do it, even grandma & grandpa can do it. Fun for the whole family**

Don't be frustrated by not knowing the first step in learning to line dance. Let former CMT Dance Ranch Host / Instructor Jo Thompson take you step by step through the 49 most common components used in line dancing. Learn these in the comfort of your own home and soon you'll be out on the dance floor having a great time. Then try out our four basic beginner dances that are included at the end of this video, and don't let experienced dancers intimidate you by not knowing the basics. Let's go 5,6,7,8.....
