

***** **WARRANTY-PLEASE READ** *****

Your electronic bar code file has been carefully inspected by experts to insure quality, accuracy, and encodation. FineLine Technologies/Laser Systems verifies that the encodation of each bar code matches the human readable characters shown; however, you must immediately check that these human readable characters are indeed the characters you requested to be encoded.

In the event you discover any defects upon your inspection, FineLine Technologies/Laser Systems obligation shall be limited to the immediate replacement of any defective electronic bar code at no charge and credit for an equal number of electronic bar codes to be supplied free of charge. Simply stated, FineLine Technologies/Laser Systems shall have no further obligation hereunder, and shall not be obligated to replace the electronic bar codes which you do not promptly inspect. In no event shall FineLine Technologies/Laser Systems be responsible for consequential or special damages of any kind or nature resulting from, but not limited to the use of defective products.

There are no other warranties expressed or implied which exceed beyond the warranty wherein set forth.
