*Ending:*

*The lyrics of the song end on the last count of the dance while facing the 9 o'clock wall.*

*There are 16 counts of instrumentals to end the song. If you feel like it then just do this:*

*1-8 Turn 1/4 right crossing R over L; Bring both hands/arms up sides & over head for 2-8*

*9-16 Brings hands/arms down sides for 9-16. Hands shimmering as you do these 16 counts.*

*The meaning of **Latter Rain** - "Latter rain" in the Bible literally refers to spring rains. The Old Testament speaks of those who would dance in prayer for spring rains. "Latter Rain" today would mean the "Ultimate Lord's Blessing" being poured out on you.*
